

CANADA'S TIRE RECYCLING FEES BY PROVINCE / BY TIRE TYPE

A "Tire Recycling Fee" or TRF is the fee collected by a provincial tire stewardship organization to ensure that the tire will be managed responsibly at the end of its useful life (i.e. diverted from the landfill for recycling).

This TRF summary is prepared by CATRA for **general information purposes only**. Information on both the responsible stewards and **the actual TRFs to be remitted is available from [the individual tire stewardship organizations](#)**.
